Ms. Frye's Class

10/01/2018

Things you need to start Quarter 2:

1. I am available to begin conferences next week. Please see the sign-up genius on our website to schedule a conference.
2. Our school has started READvolution! Look in your child's Friday folder for information!
3. New sight words and homework bingo will come home with your child on Friday.
4. We have a new activity for your students to enjoy this quarter! We are going to have a "class pet" that your child will bring home on the weekends to take care of. *Don't worry, this "pet" is stuffed. No maintenance required.* Students will write about the adventures they had together in a notebook, and then share with the class on Mondays! 😊
